No printer? Go ahead and write out this information on a note and send it with your order. You really should call us and get an estimate of the deposit to send with your order.

I have estimated that I have _____ Slides.

I was told to send a deposit as a personal check or money order for \$_____

(The current scanning cost for 35mm slides is \$0.49 per slide. That includes scanning, overall Photoshop editing of each slide (you will not get that from our competition.) and a free disk with your images.)

There is a minimum charge of \$20 per scanning order. You can send as little as 1 slide. Shipping back to you is Priority Mail with tracking.

☐ I want 4" x 6" prints of my slides. Adds \$1 per print. \$35 minimum charge for prints.

We suggest you send your order in a box with tracking. That is what we do.
